Visit ORCO.COM for the latest information regarding new products. Any mortarless wall greater than 36" in height will likely require a permit. ORCO assumes no liability for improperly built walls. ORCO manufactures mortarless landscape wall block to meet or exceed the standards stated in the latest edition of ASTM C1372. Excludes cap, capstone, and multi stone. For walls taller than 36", ORCO strongly encourages using the National Concrete Masonry Association's (NCMA's) segmental retaining walls best practices guide for the specification, design, construction, and inspection of SRW systems, which is available at no charge from NCMA.ORG. For smaller projects, refer to NCMA's design manual. All measurements approximate. Always verify color and texture with actual samples.
