## FAMILY HISTORY

Thanks to our customers, our family business is now 75+ years old! We've grown from my Dad and his partner's small operation pictured above into a multifaceted company with a wide array of products for both residential and commercial applications. We keep innovating to meet the needs of our customers. I am proud that since ORCO was founded in 1946 we have preserved our core value: Customer is King!

My family and I hope that you enjoy exploring our latest Residential Hardscapes catalog. We focused on providing you more inspirational photos, so that it can help you bring your hardscape vision to life.

We thank you for the opportunity to earn your business!

Cordially,

*Rick Muth*  
PRESIDENT

The beginning... young Pete Muth at the hand-operation.
